PROGRAMME 2021 – 2027
COMPETITIVENESS

CHOSTELIDI BROS G.P.

The company received funding under the "Green Productive Investment for SMEs" action of the "Competitiveness" Programme (NSRF 2021-2027), part of the "Green Transition for SMEs" package of actions. The action aims to support SMEs in using and developing modern technologies, upgrading their products and services and, more generally, their business activities.
